

The Emmanuel Project 2020

The Emmanuel Project provides challenging and enjoyable material for classroom teachers of RE. All the units were written and trialled by outstanding teachers. Created by the Diocese of St Edmundsbury and Ipswich, this resource is a complete RE scheme of work for primary schools and is used extensively by C of E schools, community schools and academies.

The resource provides a complete set of 49 enquiry-based units for teaching RE across the primary school with clear background notes:

- 29 units on Christianity from EYFS to KS2; and
- 20 units on other world faiths for KS1 / KS2.

KS2 Islam: Beliefs and Questions

How does tawhid create a sense of belonging to the Muslim community?

The eMMAANUEL Project: Teaching World Religions effectively in Key Stage 2

It is usable with most agreed syllabuses, providing detailed support.

The Emmanuel Project complements Understanding Christianity, providing units on other world faiths and Humanism. EYFS units each include a link with another faith and a suggested lesson. Examples are given from Islam, Hinduism, Buddhism, Judaism and Sikhism.

Outlines of a complete scheme of work are provided, together with a teacher handbook. It is only available as a complete set and represents incredible value for money.
