

Wellbeing session for Church School Administrators and Bursars

Following the success of the wellbeing session in 2021, Joyce Crawford will be joining us again for a re-run of the session.

Following a career at Barclays Bank, Joyce worked full-time as a Bursar in a Suffolk Middle School. She then joined the Local Authority's Enhanced Finance team before deciding to 'go it alone,' concentrating on delivering a bespoke 'Bursar Service' to primary and middle schools in Suffolk and Norfolk.

This often involved training, covering absent staff and supporting Governors and Heads. Over the years, Joyce has worked in many Church Schools as well as community schools. It is very likely that Joyce has worked with some of you over the years!

More recently, Joyce has joined the governing body of a large Church of England standalone Primary Academy where she is a Chair of the Finance Committee.

Joyce is an active member of The Ark church in Isleham.

Joyce's experience in Suffolk schools is unique and wide-ranging. Her talk will touch upon her varied career in Suffolk Schools. She will offer her unique insight, which promises to be very interesting and relevant for all Church School Administrators and Bursars.

The session will close with a short time of reflection and prayer.

Put it in your diary now...

Thursday 2 February 2023 1.30pm – 3.30pm,
Thomas Clarkson Centre, Bury St Edmunds

Cost: £30 for subscribing church schools, £60 for all other schools
