

Wellbeing session for Church School Administrators and Bursars

Following the success of previous wellbeing sessions, Joyce Crawford will be joining us again for our wellbeing session for administrators and bursars in February 2024.

Following 19 years with Barclays Bank, Joyce worked part-time as a Bursar in a Suffolk Middle School. She also spent a few years with the Local Authority's Enhanced Finance team before deciding to 'go it alone,' concentrating on delivering a bespoke 'Bursar Service' to primary and middle schools in Suffolk and Norfolk.

This often involved training, covering absent staff and supporting Governors and Heads. Over the years, Joyce has worked in many Church Schools as well as community schools. It is very likely that Joyce has worked with some of you over the years!

More recently, Joyce has joined the governing body of a large Church of England standalone Primary Academy where she is a Chair of the Finance Committee.

Joyce is an active member of The Ark church in Isleham.

Joyce's experience in Suffolk schools is unique and wide-ranging. Her talk will touch upon her varied career in Suffolk Schools and look at Character Vs Competence. She will offer her unique insight, which promises to be very interesting and relevant for all Church School Administrators and Bursars.

The session will close with a short time of reflection and prayer.

Put it in your diary now...

Thursday 29 February 2024, 10.00 - 1.30pm –
Thomas Clarkson Centre, Bury St Edmunds

Cost: £60 for subscribing church schools

Contact Jacqui Studd at the Diocesan Office for further details or to book. As lunch will be provided, please do advise of any dietary requirements.
