## News from the Diocese

Dear colleagues,

As we near the end of term, I do hope that you are able to celebrate the joy of Advent and Christmas as a church school. I hope that you find the Church of England's Advent and Christmas resources, [Follow the Star](#) helpful.

I am so glad we are able to support Headteachers and senior leaders with wellbeing. I am grateful to our two speakers at our wellbeing session on 11 October: Revd Laura Mumford and Jonathan Gray, head at Acton CEVCP. Please don't hesitate to ask if we can help you in any way.

It was a joy to meet together in person for our annual church school leaders' conference on 6 November. We met at the Salvation Army building in Stowmarket.

Cathy Priest from the Faraday Institute for Science and Religion spoke about Integrating science and religion in the classroom in a highly participative and thought-provoking opening session. Click [here](#) for resources and ideas.

Revd Dr Tom Wilson, Director, St Philip's Centre, Leicester was our other main speaker who led a really helpful session on Refilling the Reservoir of Hope. This enabled us to think about the various ways in which we resource ourselves so that we

can lead others effectively. Feedback was very positive. As one attendee wrote,

"Thank you for organising an amazingly useful and uplifting day. These conferences are always a highlight of the year and provide an excellent opportunity for reflection, development and strategic thinking. Thank you to you and all your wonderful team. I feel incredibly privileged to be part of the diocesan family."

It was good to celebrate ten years of school chaplaincy at Felixstowe School recently. Josh Hunt's post is funded by Boost, a local charity. Please see Boost's resources [here](#).

The budget on 30 October outlined additional investment in breakfast clubs, school-based nurseries and early years. Additional investment of £2.3 billion for the core schools budget, which includes £1 billion earmarked specifically to support high needs, was also announced.

The government has further committed to addressing the state of school infrastructure with £1.4 billion for the ongoing School Rebuilding Programme and an increase in condition funding allocations for schools.

Following the budget, the government has confirmed that academy conversion grants of £25k will cease on 1 January 2025. This makes it less likely that schools will convert voluntarily. It does not affect schools judged Inadequate which have to convert. The government has also confirmed that there are currently no plans to introduce future rounds of the Trust Capacity Fund (TCaF). It is now advertising for expert advisers to join its Regional Improvement for Standards and Excellence (RISE) teams to provide school improvement to schools.

We have created a short film about becoming a governor as part of our efforts to encourage more people to serve as foundation governors- which can be viewed [here](#). Please feel free to use this in schools and churches as you wish. I am grateful to those involved in the filming.

It is always a pleasure to visit schools, and good to see Christmas celebrations across the diocese. In the midst of the busyness, I love this Advent season and the run-up to Christmas itself. May I offer this Christmas prayer:

*May the joy of the angels,  
the eagerness of the shepherds,  
the perseverance of the wise men,  
the obedience of Joseph and Mary,  
and the peace of the Christ child  
be yours this Christmas.*

On behalf of all the team, may I wish you all a very happy Christmas when it comes?

## News from Schools

A school chaplain has been appointed at **Debenham High School**. Revd Keith Ringert will start work in January 2025.

**Congratulations!**

**Congratulations** to **Bedfield CofE Primary School** which recently celebrated a special birthday. Imogen Wallis, Executive Headteacher writes: "On 24 October, Bedfield CofE Primary celebrated its 160th Birthday! Celebrations started in the morning when staff and children arrived to school dressed in period costume. There were chimney sweeps, maids and school children and school mistresses As in Victorian times, the children started their day using blackboards and chalk.

The children read a bible story and played Victorian games such as hoops, stilts and Hopscotch. In the afternoon the children congregated at St Nicholas' Church to sing hymns from the period and perform poems.

They were joined by ex-pupils from the school, previous heads and parents who were former pupils. The service was led by Revd Chrissie Smart.

**Cathedral service -**  
our annual service for all church schools will take place on **Monday 23 June 2025** at 1.30pm.

**Archbishops' Young Leaders (AYLA) Award webinars** are a great way to find out how the AYLA works. Just 45 minutes, the twilight sessions help you think about how you might develop courageous advocacy in your school and equip the next generation of young leaders. The session will unpack how the Award helps learners grow and develop in key leadership skills and character virtues and the kinds of social and environmental action projects which schools get involved in within their communities. Everyone returned to school in a procession, just as their forebears did 160 years ago, led by Iris (Year 4) on her pony with her mother and sister in attendance. At school we had a Victorian high tea of cucumber sandwiches, scones with jam and cream and Victorian sponge cake which was greatly appreciated by all."

**Congratulations** to Year 5 and 6 pupils at **Chelmondiston CofE Primary School** who thoroughly enjoyed taking part in a 'beach clean' on the banks of the River Orwell at Pin Mill in October. Pupils scoured the shore line to retrieve almost 20 bin bags full of debris! For more, please click [here](#) for the East Anglian Daily Times (EADT) article

**Congratulations** to the Collective Worship Council at **Elveden CofE Primary Academy**. Anna Syer, Head of School writes: "This half term at Elveden, we have been really proud of our Collective Worship Council. They have come together to plan and help plan our Remembrance Service at our beautiful church. One of our Collective Worship Council wrote their own poem about the lives lost in the war, which was extremely poignant."

The children also presented their Remembrance Art work and we took the time to consider the impact of the World Wars.

We are also very excited to be beginning a Spirituality Project with Victoria Bush and our Collective Worship Council are presenting some new values that all stakeholders will then get the opportunity to vote on. Elveden will then have two more values to add to our four values of: Hope, Respect, Trust and Forgiveness. We will also be looking at our Spiritual journey and are hoping to develop further within school."

**Congratulations** to Y5 pupils at **Risby CEVCP** and **St Edmundsbury CofE Primary**, who took part in a production of 'Flooded!' at St Edmundsbury Cathedral in November. St Edmundsbury CofE Primary writes: "It was a proper production with an orchestra, stage lighting, real opera singers and 250 children from local schools. The children were nervous to begin with, but they needn't have been - they really shone! We were complimented on our attitude and behaviour which was wonderful." **Congratulations** to **Wilby CofE Primary** which has raised over £1k for the New Hope Orphanage and Primary in Mombasa, Kenya.

Roisin Wiseman, Headteacher writes: "Wilby has been working closely with the charity Hand in Hand, who support the New Hope orphanage and Oakridge Primary School in Kenya, for a number of years now by organising events such as cake and crafts sales. On 27 September Wilby school was delighted to meet Anne Chege who founded the New Hope Charity in Kenya. The children were inspired by Anne's story. Anne is the mum of New Hope Children's Centre. She started this home 20 years ago and has provided a home and education to over 1,000 children. Her story began with taking in just one orphan into her personal home and then eventually she took in ten and then over the years it expanded to over 100 and Anne decided she needed a centre to help raise the orphaned children of Kenya. Anne quit her job at Barclay's Bank and with her husband they began New Hope Children's Centre - Uplands, Kenya. She has selflessly dedicated her entire life to this initiative. Anne shared the stories of some of the children who have had their lives transformed by New Hope. The school council members asked Anne what she would like them to fund raise for and she explained that the children in the primary school have never had a school trip. In response to this the children decided to organise a sponsored silence to raise funds in November. They are so grateful to the children and parents of Wilby school for the incredible support that they have received.

We are a small primary school, with a big heart and we are so proud that we are able to support the children of New Hope in this way. Not only is it wonderful to be able to support our Kenyan friends but it is so important for our children to develop a sense of equality with others around the world. This helps them to understand the challenges faced by others in our global community and to understand that they can make a
