# CELEBRATING THE QUEEN'S PLATINUM JUBILEE IN SUFFOLK

### Letter from Bishop Martin

This year we are very much looking forward to the UK and Commonwealth celebrations of the Queen's Platinum Jubilee.

As the Church of England in Suffolk, we are ready to play our part in bringing communities together for these national celebrations, joining in with the Festival of Suffolk, an initiative to celebrate our Queen and our County.

We know the blessings God pours upon us, and in turn we seek to be a blessing in the lives of others through love and service.

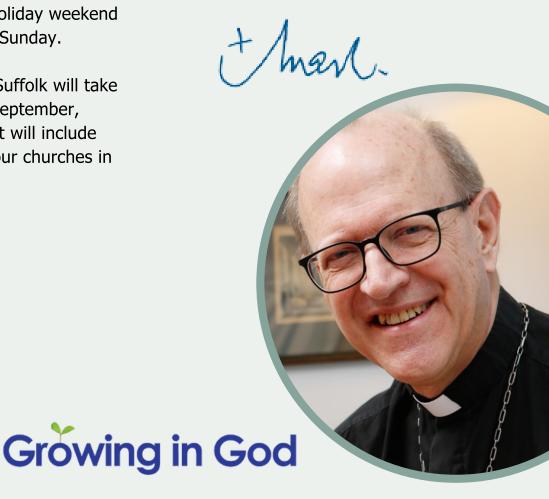

The national celebrations will take place over the four-day Bank Holiday weekend which ends on Pentecost Sunday.

Events of the Festival of Suffolk will take place between May and September, offering opportunities that will include highlighting the work of our churches in our communities.

# I would encourage everyone to get involved.

We have chosen the theme of #SuffolkBlessing for our part in these celebrations. We hope that you will join in as we celebrate the blessings we receive and share with others through worship and service.

In this booklet, you will find details of events and opportunities to get involved on a wider scale, together with some ideas for parish and local activities, and links to resources for your use.

# 

Gracious God,

Amen.

We give you heartfelt thanks for our Queen as we celebrate this year of her Platinum Jubilee.

We thank you for her life of faithful service to you, to the people of this nation, and to the Commonwealth.

Help us, the people of Suffolk, to live lives of faithful service.

Bless all who live and work in our beautiful county.

Bless our communities, our villages and towns.

Bless our land, our rivers and our coast.

Bless our Queen, and all who call upon your name,

And help us to be a blessing to others.

In Suffolk we would like to take the opportunity to get involved and bless those around us.

This can be part of our services of thanks in our churches for those who have supported our communities.

It could be sharing the Suffolk prayer at your services, during school assemblies and while joining communities' Jubilee-themed activities.

We have produced a series of graphics to help you engage in the #suffolkblessing and these are available to download from our website.

We would like to hear from you... if you are interested in having some printed #suffolkblessing prayer cards, please email: <a href="mailto:communications@cofesuffolk.org">communications@cofesuffolk.org</a>

This booklet includes some of the key resources and activities going on, outlining the key national events, local festivals and signposting you to the latest Church of England-supported resources.

There is a lot on offer so please do take your pick of ideas that will suit your community.
