Teach and encourage an understanding of Christian stewardship across the benefice and help to substantially increase the parish share paid to the point where this parish could afford a full time Minister.

<p>The diocesan ministry deployment principles affirm an intention to maintain stipendiary clergy numbers if possible, subject to the availability of financial resources, and to develop an understanding of local episcopal oversight ministry and local ministers in parishes ministering in teams or clusters. A key aim of this is to reduce clergy isolation and increase mutual support.</p>
<p>An understanding of the Centenary share process and how it is applied across the benefice and deanery and its importance for the sustainability of ministry across the diocese is fundamental.</p>
<p>The bishops expect and encourage clergy to take their rest days (for FTE clergy one a week plus an additional one a month), holidays and regular retreats or similar. Clergy are strongly encouraged to have a spiritual director or equivalent.</p>
