

Diocesan Synod and Cathedral Chapter approved a motion to act to achieve net zero carbon by 2030. A presentation by the Revd Richard Stainer, representing the Net Zero Carbon Group, emphasised the crisis for God's Creation and the fundamental injustice that results.

National Trust provide church with logs to create churchyard 'reflection spaces'

St Leonard's Church in Horringer is developing six 'reflection spaces' in its churchyard – so people can enjoy the abundance of wildlife and reflect on creation. The National Trust Ickworth Park team delivered logs following the church's 'World of Wonder' project last month - where people were encouraged to record different species of wildlife living in the area. The idea is to create spaces where people can sit and enjoy a different aspect of creation – from bees

and insects to trees and wildflowers.

The church is planning two family activity days, on August 12 and 19, which will include projects to enhance these reflection spaces. Helen Woodroffe, Community and Families' Lay Minister, said: "We had walked around the churchyard and identified six places that had particular views of the area. What we are working towards is for each of the six areas to have its own theme. One will have an emphasis on wildflowers, another bees, another birds – each a different look at creation."

Contactless Donations Pilot Scheme

We are excited to announce that we have launched our contactless donation pilot this week. The use of cash continues to decline in society, it's important that churches are able to

receive gifts using a range of different mechanisms.

The pilot has a focus on facilitating internet connectivity alongside contactless giving. Successful applicants will receive a free contactless donation unit (chosen by The National Giving team), support for mobile broadband (if you opt for mobile data contract), training and ongoing support for a year from both the National and Diocesan Giving teams. To take part in the pilot, your church will need to have wifi installed, being installed soon, or a mobile phone signal in their building.

Please note the deadline for applications is 18 August 2021. For further information and to apply please visit our website [here](#).

Family fun at the Cathedral this summer

Wednesday 4 August, 10.00am to 12 noon

St Edmundsbury Cathedral, Bury Saint Edmunds IP33 1LS

St Edmundsbury Cathedral is offering a Climate and Conservation family fun day where there will be trails and craft activities themed on our natural world. No pre-booking is required. Admission is free but a donation to the Cathedral is appreciated, if possible.

"Cathedrals are great spaces for creativity, and we hope that our young visitors will be inspired by the beautiful surroundings," comments Sarah Friswell, Visitor Experience Manager at the Cathedral. Throughout the summer, families can also enjoy helping to add bricks to the Cathedral's LEGO model. By donating £1, another brick is added. Volunteers, who are on duty each day from 10.30am to 12.30pm (Sundays 12.30 pm to 2.30 pm), have been building the model for the past five years and it is currently nearing the halfway stage, with over 86,000 bricks added.

Notices

Please visit the Church of England page [here](#) and the Diocesan guidance page [here](#) for the most up to date information and guidance for churches during the Covid-19 pandemic.

Return of Parish Finance and Annual Accounts Thank you to everyone who has completed their return. The deadline has been extended to 31 July 2021 so please ensure that your parishes submit their returns as soon as figures are ready

via <https://parishreturns.churchofengland.org>. Copies of annual accounts and reports should also be emailed to statistics@cofesuffolk.org at the earliest opportunity.

Electoral Roll: A polite reminder to also send your Electoral Roll figure to the diocesan office, by email to alison.barker@cofesuffolk.org.

General Synod Elections: Becoming a General Synod representative is an opportunity to represent the concerns of your community and your diocese at a national level. If you are interested in standing for General Synod, please discuss this with your priest, deanery synod lay chair, Tony Allwood (Chair of the House of Laity, Diocesan Synod) or email [Lorna Todd](mailto:Lorna.Todd). Further information is also available on our website [here](#).

Update on cut to international aid: The cut in the international aid budget has been passed by Parliament. All Suffolk MPs voted in favour of the cut which is disappointing since many of us, including Bishop Martin, had written to ask them to vote in favour of maintaining international aid at 0.7% of GDP. The government has promised to restore the cut when economic conditions allow. The head of UK advocacy and campaigns at Christian Aid, Pete Moorey said, "It beggars belief that, in the middle of a global pandemic, with extreme poverty rising, we are turning our backs on the poorest and most vulnerable people in the world." Please pray for a restoration of the cut in aid as soon as possible and, of course, for those who will suffer as a result of the decrease in help and support in desperate situations across the world. The Revd Richard Stainer, World Development Adviser.
